

Mission: Possible

Getting Involved with the Collaborative

Instructions: Your mission, should you choose to accept it, is to talk to a neighbor over lunch and discuss the different ways each of you plan to be involved in the Cardiovascular Collaborative over the next year. After discussing with your neighbor, please check the boxes below indicating the ways you plan to be involved in the Collaborative.

Please turn the completed paper in to an Emory staff member by the end of the lunch break.

Name: _____

Activities:

- ☐ Sign up to present on a learning event/webinar
- ☐ Share a research article or local news (data, policy, partnerships) with the Collaborative
